

## Curriculum Vitae

### PERSONAL INFORMATION

#### **Doctor Corinne BECKER**

17, Chemin de la Côte d'Argent

92410 Ville-d'Avray, France

Ph: +33(0)622 636 842

Email : corinne.becker.m@gmail.com

Web: [www.lymphoedemacenter.com](http://www.lymphoedemacenter.com)

### BRIEF OVERSIZE

- Internationally trained Plastic Surgeon, Hand Surgeon and Micro Surgeon
- Licensures in Microsurgery and Anatomy
- Specializing in Lymphedema surgery (Lymph Node Transplants)
- Clinical experience over 30 years
- Associate Professor at Université Pierre et Marie Curie, Paris France
- Professor at the Hanoi University (Vietnam)
- Invited Professor for Lymphedema surgery in over 23 countries

### PRE-MEDICAL EDUCATION

- 1972 Secondary Education – Baccaureat (high Distinction), St André, Brussels

### MEDICAL EDUCATION

- 1979 E.C.F.M.G
- 1979 Examination in surgery (Mark : 18/20)
- 1979 Doctor in Medicine (High Distinction). Université Libre de Bruxelles (Brussels, Belgium)

### POSTGRADUATE TRAINING & SPECIALITY CERTIFICATIONS

- ❖ BOARD IN GENERAL SURGERY (1986)
- ❖ BOARD IN MICROSURGERY (1986)
- ❖ BOARD IN HAND SURGERY 1988)
- ❖ BOARD IN PLASTIC SURGERY (2011)

**1979-** License of general surgery  
**1985** Université Libre de Bruxelles (Brussels, Belgium)

**1982** Certificate of Plastic Aesthetic surgery

**1983** Certificate of Microsurgery. University Hospital of Bogenhausen  
(Munche, Germany)

**1983-** License of Hand Surgery, Orthopedy, Microsurgery and Plastic Surgery  
**1987** -84 at C.H.R of Nancy (France) (with professors Michon and Merle)  
-87 at Institut Français de la Main (Paris, France)  
(with professors Tubiana and Gilbert)

- 1984-1985** License of Plastic and Reconstructive Surgery, Burned Surgery, Microsurgery  
Hospital of Bogenhausen (Munich, Germany)(with Pr. MUHLBAUER)
- 1986** University Diploma of Microsurgical techniques
- 1986** Diploma of surgery : conferred April 1986  
Université libre de Bruxelles (Brussels, Belgium)
- 1986-1992** Postgraduate training in Hand Surgery  
Institut Français de la Main (Paris, France)
- 1986-1992** University Diploma of Anatomy (Thesis)  
Lymphatic flaps (donor sites) and Inguinal and cervical flaps  
The Ulnaris flap  
The Lymphatic nodes transplantation  
The external malleolar flap

### OTHER LICENSES

- Anatomy :** University Diploma of Anatomy  
Université Descartes (Rue St Pères, Paris 6)  
Thesis : Free Lymphnodes Transfers and Ulnaris Flap
- Microsurgery :** Diploma of Microsurgical Techniques (C.E.S)  
Study of the regeneration of the lymphatic ducts after free nodes transplants on the rat (1989)

### OCCUPATIONAL HISTORY

- Since** Invited Professor in over 21 countries, performing surgery
- 2000** (See full list of assignments in section Work as an Invited Pr.HEREUNDER)
- 1986-2002** Clinical activity in plastic surgery, hand surgery and microsurgery  
(Brussels, Belgium)  
Université Libre de Bruxelles  
Erasmus University Hospital (Anderlecht, Belgium)  
St-Pierre University Hospital (Brussels, Belgium)  
Hôpital Edith Cavell (1180 Brussels)  
Hôpital Universitaire Molière (Brussels, Belgium)(combined with beginning of activity in after)
- 1996-2000** Plastic surgery, microsurgery and lymphatic surgery (in Paris, France)  
Paris 16 (part time with Brussels activity) till 2014

#### In France

Hôpital Georges POMPIDOU, university hospital in Paris  
Clinique HARTMANN, 26 boulevard Victor Hugo 92200 Neuilly sur seine  
American Hospital of Paris, 63 boulevard Victor Hugo 92200 Neuilly sur seine

#### In Italy

Rome : Clinica Sanatrix ans Quisisana Clinic (since 2018)  
Milano : Humanitas San Pio (till 2017)

## SCIENTIFIC & CLINICAL RESEARCH

<b>2012-2015</b>	STANFORD, USA : Firalgin and lymphedema treatment in collaboration with HEGP(Paris) Université DESCARTES Paris : Clinical study comparing ALNT and LymphoMRI in iatrogenic and congenital cases. Modifications of adipocytes in lymphedema, genetic and histologic studies Department of endocrinology, INSERM (France)
<b>1986_2012</b>	Lymphatic and perforators flaps Anatomy, Université Pierre et marie Curie (Paris, France)
<b>2006-2012</b>	Study of VGEFC3 after free nodes transfers Turku University (Finland)
<b>1986-1990</b>	Long terms results of nodes transplantations to treat lymphedema. Results for treatments on plexitis post radiotherapy Results for reconstructions of the chest wall after radiotherapy for tumors Results for reconstructions of the breast with free flaps modified including nodes Results of free nodes transplantations for congenital lymphedema Reconstructions of the thoracic wall and lymphedema Lymphedema and plexitis after radiotherapy Université DESCARTES (Paris)
<b>1988</b>	The growing factors of the nerves : comparaison in different kinds of anastomosis (sutures, fibrinogen glue) Study of different neurotrophical factors able to improve the reinnervation : isan oxineantagonist of substance p, the capsaïcine Neurotrophic factor : N.T.F.S Laboratory of pathologic biochemistry (Pr. G. GRAFF), ULB (Brussels, Belgium) Study of neurotrophical factors, Dr. A.SEBILLE, Hôpital St.Antoine (Paris, France)
<b>1988</b>	Thesis : Free Nodes Transfers, Inguinal Flap (University Diploma of Anatomy) Université Paris DESCARTES, centre Universitaire des Saint-Pères Study of anatomy of the cubital artery : cutaneous, muscular and osseous vascularisation, which is depent to the cubital artery A new paracubital flap, ULB (Brussels, Belgium)
<b>1988</b>	Results for the treatments on plexitis post radiotherapy Results for reconstructions of the chest wall after radiotherapy for tumors Results for reconstructions of the breast with free flaps modified including nodes Increased muscle regeneration after repair of divided motor nerve with neurotrophic factors containing glue Université Libre de Bruxelles, Belgique INSERM (Paris)
<b>1986</b>	DU of the anatomy of the ulnar artery : cutaneous, muscular and osseous vascularisation, which is dependent to the cubital artery. Description of the new paracubital flap Ecole de chirurgie de Fer à Moulin (Paris) Laboratory of Chemistry (Brussels, Belgium) Study of neurotrophical factors at the medicine and sciences faculty in Paris, nerve and muscle regeneration after axonal division in rats treats with isaxonine phosphate. Dr. A.SEBILLE, Hôpital St. Antoine (Paris) and Pr. G. GRAFF, ULB (Brussels, Belgium)
<b>1986-1987</b>	Multiples clinical studies on Dupuytren, fingers fractures, burned hands. Comparison between arthrodesis and the synoviectomies in the rheumatoïd wrists Institut Français de la Main (Paris) The toes transplants in congenital hands - Institut Français de la Main (Paris)

## WORKS AS AN INVITED PROFESSOR

2019

- **Paris, France (January)**: Conference / Teaching (Sorbonne Université Médecine)
- **Roma, Italy (February)**: Surgical Teaching
- **Hanoi (vietnam ) april 21-17** surgery on children with lymphatic malformations, teaching
- **Taiwan 26 april** : congress of lymphology: new approach in surgery for children
- **Roma 3,4 may**: breast meeting: conference and chairman for the lymphoedema session. How to treat upper lymphoedema
- **Bologna may world congress of microsurgery**: the surgical treatment in children with lymphoedema

2018

- **Milano, Italy (January)**: Consultation and set-up collaboration in casa di cura La Madonnina
  - **Roma, Italy (February)**: Surgery for lymphedema and teaching courses in Casa di cura Sanatrix and casa di cura Quisissana
  - **Hanoi, Vietnam (April/May)**: Humanitary travel to operate children having lymphedema and teaching course in St Paul Hospital
  - **Buenos Aires, Argentine (April/May)**: Teaching conference in university of Buenos Aires (05.03.2018)
- Surgeries on children and adults (humanity work) and teaching courses at the clinica de diagnosis y cura in Buenos Aires
- **Belgrade, Serbie (5-7 May)**: International congress of Microsurgery
- Conference on children surgical treatment in Lymphedema and president in Lymphedema session
- **Roma, Italy (7- 8 May/17-21 October/13-15 December)**
- Surgery for Lymphedema patients and clinic
- **Paris, France (June)**: Université Pierre et Marie Curie Paris 6eme
- Diplôme d'université de phlébologie, avec la collaboration de la société Française de Phlébologie, teaching surgery for Lymphedema
- **Amsterdam, Netherlands (06.22.18)**: EU Spiies meeting
- Use of Spys in Lymphedema treatment
- **Pragues, Czech Republic (September)**: Congress ISEL, Conference about the surgical treatment for Lymphedema in children.
  - **Pekin, Chine (26.10/04.11)**: Conference in the universities 1,2,3 on 27nov, 28 nov, 30 nov and organizing conferences for the perforators flaps in May 2020.
  - **Hanoi, Vietnam (11 to 17 November)**: Surgeries of 8 children and 2 adults with lymphedema. Teaching course on 10.11. Nomination of Professor on 10.11.2018.

2017

- **Paris, France (22.01.17)**: HEGP University : Conference on surgical treatment for lymphedema in children
- **Milan, Italy (5-10 Feb/ 8-12 Sept)**: Operations and conferences
- **Zurich, Switzerland (11.03.17)**: Conference on surgical treatment for Lymphedema
- **Barcelona, Spain (14-16 March)**: World congress for lymphedema conference
- **Shanghai, Chine (17 22 March)**: 2° World congress for lymphedema and ISL. Main conference for diagnosis and treatment for lymphedema
- **Paris, France (2016-2017)**: Université Paris Descartes. Diplôme de phlébologie, enseignement sur la chirurgie du Lymphoedeme
- **Paris, France (19-20 May 2017 to June 2018)**: GAM (groupe d'avancement de la microchirurgie), conference sur la chirurgie du lymphoedeme chez l'enfant
- **Greoux-les-bains, France (25 26 May)**: Groupe d'avancement recherche immunologie et nutrition, conference : new aspects in lymphology, how to treat lymphedema, multidisciplinary aspects
- **Lausanne, Switzerland (2-6 June)**: Course on lymphedema surgery. European Society Of Lymphology. ESL
- **Seoul, Korea (15-19 June)**: WSRM 9° World congress of reconstructive microsurgery, conference : can lymphnodes transposition cure completely lymphedema ?

- **Montreux, Switzerland (23-25 June)**: Breast meeting, Conference about treatments of lymphedema with autologous lymphnodes transposition and breast reconstruction
- **Barcelona, Spain (24-28 September)**: ISEL 26 International meeting of Lymphology Conferences : lymphedema treatments in children, Refinements in lymphedema, Upper arm Lymphedema
- **Tanger, Maroc (5-7 October)**: Senologie – Conference : « breast and lymphedema reconstruction »
- **Antalya, Turkey (11-15 October)**: Symposium of the Turkish society of Plastic Surgery Conferences : « Breast and Lymphedema reconstruction » and « cure a lymphedema a dream »
- **Roma, Italy (23-27 Nov)**: Surgeries performed in Quisisana Hospital, Conference in Sanatrix : new aspects of the surgical treatment of congenital and iatrogenic lymphedema
- **Morges, Switzerland (5-7 Nov 2017)**: Conference on the treatment for lymphedema

## 2016

- **Rome, Italy (13-17 April)**: International congress of phlebology, Conference « What is new in Lymphedema ? »
- **Dusseldorf, Germany (5-6 May)**: New developments in upper arm lymphedema treatment
- **Mulhouse, France (13-15 May)**: Conference « What is new in lymphedema »
- **Milan, Italy (4-7 May/ 5-10 October)**: Operations and conferences
- **Chine (23-25 Sept)**: Wuhan 2° Congress of breast mastectomy and reconstruction  
Conference.: « results of surgical treatment with lymphnodes transplantation and breast reconstruction »
- **Beijing, Chine (26 Sept)**: Conference : « treatment of lymphedema iatrogenic and congenital »
- **India (23-27 Nov)**: Cochin University : Conference and live surgery for breast reconstruction with double DIEP plus nodes

## 2015

- **Fort Lauderdale, Florida, USA (15-17 Jan)**: Conference in the west regional center on lymphedema
- **Miami, Florida, USA (29-5 April)**: Instructional courses on lymphedema
- **Dusseldorf, Germany (17-19 April)**: Breast meeting, conference on free nodes transplantation
- **Milan, Italy (13-15 Feb/ 20-24 May/ 20-24 June)**: Instructional course and surgery for lymphedema treatment
- **Lausanne, Switzerland (2-6 June)**: European Society of Lymphology ESL  
Course on Lymphedema surgery
- **Pavia, Italy (9-19 July)**: Conference in university : « Lymphatic surgery »
- **Chicago, USA (19-20 Sept)**: Breast and lymphedema meeting, Conferences about problem cases, groin flap, and lymphnode transfers why and how ?
- **Bamberg, Germany (23-25 Sept)**: Deutsche Gesellschaft für Phlebologie und Lymphologie  
Conference on the surgery of the lymphedema
- **Bari, Italy (14-15 Dec)**: Iniziativa terapeutica in oncologia  
Conferencia Magistrale : « La nuova frontiera della chirurgia nei pazienti affetti da linfedemi »

## 2014

- **Doha, Qatar (24-26 Feb)**: Breast reconstructions and treatment of lymphedema with perforator flaps, Congenital lymphedema treatments  
Conference on Lymphatic Surgery
- **Doha, Qatar (25-28 Feb)**: Invited professor in Qatar. Conferences for iatrogenic lymphedema and congenital lymphedema
- **Austria (March)**: Venalpin Conference for Lymphedema
- **New York, USA (11-16 March)**: Ear and Eye, Instruction on lymphedema
- **Barcelona, Spain (7-10 March)**: Round Table and conferences : ALNT  
Lymphedema meeting and breast meeting BBM
- **Dusseldorf, Germany (5-6 April)**: Breast meeting, Lymphedema surgery conferences
- **Barcelona, Spain (3-5 April)**: European congress of microsurgery, Round Tables
- **Stanford, USA (27 March-2 May)**: Dissection course of vascularised lymphnode flaps and lectures. Research program with fibrinolytic with Stanford University

- **Orlando, Florida, USA (19 June- 6 July)**: Cancer institute, conferences and surgery
- **Las Vegas, USA (September)**: SPY Meeting Conference
- **Fort Lauderdale, Florida, USA (17-18 Sept)**: Conference for congenital and iatrogenic lymphedema in brownser university
- **Buenos Aires, Brazil (October)**: Conference for lymphedema in the congress of cardiac and vascular surgery
- **Paris, France (December)**: President of symposium on lymphedema American Hospital

### 2013

- **Naples, Florida, USA (18-20 Jan)**: Vascularized Lymph Node Transfer for the Treatment Of Lymphedema : Controversies on Safety and efficacy. Conference on lymphedema , Round Table. American Society for reconstructive Microsurgery
- **Tortola BVI (21-25 Jan)**: New approach to surgical Treatment of Congenital Lymphedema. Presented at the British Virgin Islands Plastic Surgery Workshop Congress
- **New York, USA (19-33 March)**: Instructional Course Lymphedema Surgery. Development of the unit for lymphedema treatment. NYEE
- **Taiwan (9-13 April)**: International Symposium on Surgical Treatment of Lymphedema. Live surgery, teacher and moderator
- **Dusseldorf, Germany (19-21 April)**: Treatment of Lymphedema and pain after mastectomy and radiotherapy. Presented at Breast Symposium
- **New York and Connecticut, USA (21-23-28-30 May)**: Surgeries for lymphedema and breast. Development of a unit for lymphedema treatment. NYEE. (White Plains Hospital Connecticut)
- **Chicago, USA (31 May/2 June)**: 54th Annual Meeting of the New England Society for Plastic Surgery. Guest lecture on Lymphnodes transplantation future. World Society for Microsurgery congress
- **New York, USA (11-19 July)**: Instructional Course Lymphedema Surgery. Development of a unit for lymphedema treatment. NYEE
- **Roma, Italy (22-25 Sep)**: Chairman and conferences on lymphedema. European Society of Lymphology
- **New York, USA (23 Sep- 5 Oct)**: Instructional Course Lymphedema Surgery. Development of a unit for lymphedema treatment. NYEE
- **London, England (25 Oct)**: Conference on lymphedema. Clinic Cosmetic and reconstructive surgery
- **New York, USA (21-24 Nov)**: Live surgery and conference on Lymphedema Congress on Perforators Flaps. NYU
- **New York, USA (11-25 Nov/4-6 Dec)**: Instruction and Consultation on Lymphedema. NYEE

### 2012

- **Barcelona, Spain (27 Feb/ 2 March)**: Instructional course and operation, chairman and instructor. Barcelona Congress for Lymphology
  - **New York, USA (12-14 March)**: Instructional Course Lymphedema Surgery. NYEE Infirmiry Hospital
  - **Vercelly, Italy (7-11 April)**: Course on lymphedema and consultations
  - **Sao Paolo, Brazil (19-24 April)**: Breast Surgery Congress. Conferences and life surgery for lymphedema and plexitis after mastectomy
  - **Barcelona, Spain (31 may/ 4 June)**: Lymphnodes transfer operations and confernce.
- 4° Curso intern dela cancer de la mamma
- **Helsinki, Finland (June)**: Worls Congress of Microsurgery. Face to face with Pr. Koshima. Operations on Lymphedema on live patients
  - **New York, USA (29 June/ 5 July)**: Instructional Course Lymphedema Surgery. NYEE
  - **New York, USA (3-8 Sep)**: Instructional Course Lymphedema Surgery. NYEE Hospital
  - **Paris, France (November)**: Conference on congenital lymphedema. Academy of surgery
  - **New York, USA (17-21 Nov)**: Operations and conference on breast reconstructions and lymphedema surgery. NYEE University
  - **New York, USA (25-28 Nov)**: Instructional Course Lymphedema Surgery. NYEE Infirmiry Hospital

### 2011

- **Bevrouth, Lebanon (15-18 Jan)**: Teaching treatment of lymphedema and operations. Hospital Saint Joseph
- **Beijing, China (March)**: Course and operations for breast reconstructions and combined with lymphnodes transfers and Plastic surgery hospital of Chinese academy.
- **New Orleans, Lousiane, USA (3-5 May)**: Conference on lymphedema. Saint Charles Hospital
- **New York, USA (May)**: Course and operations for lymphedema. NYEE Infirmary Hospital
- **New York, USA (May)**: Instrutional Course Lymphedema Surgery. NYEE Infirmary Hospital
- **Egypt (1-7 Sep)**: Lymphedema surgerie
- **Seoul, Korea (October)**: Operations of lymphedema. Sim Duck Hospital
- **Recife, Brazil (15-23 Dec)**: Lymphedema operations and courses

## 2010

- **Paris, France (1-5 Feb)**: Reconstruction of the breast combined with treatment of lymphedema (poster) ICACT
- **Paris, France (10 Feb)**: History of Microsurgery. Academy of surgery
- **Barcelona, Spain (2 March)**: Transferencia microquirurgica ganglionar. Consensus for lymphedema. 1º Jordana multidisciplinaria sobre lymphedema
- **Barcelona, Spain (4-5 March)**: Operations live of lymphedema and round tables. Free nodes tranfer, experience « life surgery ». Congress of Plastic Surgery and Ultramicrosurgery
- **Paris, France (12-13 March)**: Surgical treatments of lymphedema. GAM
- **Paris, France (19-20 Mars)**: Paraulnaris flap, First perforator flap of the hand. MEGA Hand
- **Paris, France (8 April)**: Actualités sur les traitements chirurgicaux des lymphoedemes. Séminaire de pathologie vasculaire, St Joseph
- **Milano, Italy (20-22 June)**: Operation in Humanitas for Lymphedema
- **Sao Paolo and Recife, Brazil (11-24 August)**: Operations and course on Lymphedema
- **Tomsk, Russia (15-23 October)**: Course teaching and operations : microsurgical cases and lymphedema

## 2009

- **Barcelona, Spain (March)**: Course on the perforator flaps, course teaching and live operation of lymphedema cases
- **Charleston, USA (11-16 Nov)**: Intructional Course Breast reconstruction and lymphedema surgery
- **Seoul, Korea (20-30 Nov)**: Lymphedema operations, press conference and course teaching and operations. Sim Duck Hospital

## 2008

- **Barcelona, Spain (15 March)**: Course on the perforator flaps, course teaching and operation in live of lymphedema cases
- **Cairo, Egypt (30 March)**: Humanitarian mission
- **Paris, France (15 April)**: Treatment of lymphedema, teaching course and operation. Day of vascular Surgery
- **Tomsk, Russia (5-13 May)**: Course teaching and operations : microsurgical cases and lymphedema
- **Paris, France (1-4 June)**: Reconstructions by perforators flaps, congenital lymphedema. European courses on flaps
- **Finland (13-17 June)**: Operations of lymphedema and course
- **Egypt (1-13 August)**: Humanitarian Mission, Zagazig Hospital
- **Barcelona, Spain (7-10 Nov)**: Course on the perforator flaps. Course teaching and operation in live of lymphedema. The treatment of radic plexitis by fasciocutaneous flap
- **Milano, Italy (20-25 Nov)**: Course teaching and microsurgical operations for lymphedema. Humanitas Hospital
- **Recife, Brazil (1-15 Dec)**: Lymphedema operations and courses, Humanitarian mission

## 2007

- **Paris, France (5 January)** : Conference, course : new approach of lymphedema. Academy of Surgery
- **Cairo, Egypt (3-13 April)** : Humanitarian weeks with course teaching and operations of lymphedema, Zagazig University
- **Biarritz, France (1-5 May)** : Treatment of lymphedema, late results. GAM (Groupe d'Avancement de la Recherche)
- **Tomsk, Russia (5-10 May)** : Course teaching and operations : microsurgical cases and lymphedema
- **Cair, Egypt (25 June/ 10 July)** : Operations for lymphedema and courses, Zagazig University
- **Syria (25-30 October)** : Conference and reconstruction of the leg with perforator free flap combined with free nodes transfer
- **Copenhagen, Denmark (5-10 Nov)** : Course and lymphedema operations
- **Recife, Brazil (15-25 Nov)** : Humanitarian weeks with teaching courses and operations of lymphedema

## 2006

- **Beyrouth, Lebanon (5-12 Jan)** : Teaching course on treatment of lymphedema and operations. Saint Joseph University Hospital
- **Paris, France (12-13 May)** : Symposium de l'institut de la Main : La Main de l'Enfant. Comité Scientifique
- **Paris, France (15-16 May)** : La chirurgie lymphatique a-t-elle une place dans le traitement du lymphoedeme ? 40<sup>ème</sup> Congrès de pathologie vasculaire
- **Romania 17-20 May)** : State of the Art : Free Nodes grafts Results. 8th Congress of the European Federation of Societies for Microsurgery- Scientific committee, Clu J-Napoca
- **Roma, Italy (5-12 June)** : Multiple reconstructions by free flaps after tumours, Department of oncology and orthopaedic surgery (Pr.SANTORI). Saint Pierre Hospital and American Hospital
- **Coimbra, Portugal (1-15 July)** : Course teaching, free flaps operations, Department of general and Plastic surgery, University Hospital of Coimbra
- **Seoul, Korea (1-15 August)** : Free lymphatic transplantations, conference and operations of congenital and iatrogenic lymphedema, Samsung Hospital (Pr. B.B.Lee)
- **Recife, Brazil (2-20 Dec)** : Humanitarian weeks with teaching courses and operations of lymphedema

## 2005

- **Heerlen, Netherlands (12-14 Feb)** : Symposium on plexus surgery
- **Brussels, Belgium (16-18 March)** : Treatment of postradiotherapy plexitis. Advanced Course of upper Extremity Tendon transfers. Université Libre de Bruxelles
- **Cordoba, Argentine (March)** : Active participation in indication of free nodes transplantations. Consensus of lymphology
- **Paris, France (7-8 May)** : « La main du sportif » Symposium de l'institut de la Main
- **Nice, France (24-25 June)** : Traitement des plexites radiques, relustats reconstruction du sein par lambeau libre. XXVIIIème Congrès du GAM, Faculté de Médecine
- **Salvator, Bahia, Brezil (26-30 Sep)** : Free nodes grafts. States of Art : Free nodes Grafts Results. 20th International Congress of Lymphology
- **Buenos Aeres, Argentine (23-26 Oct)** : Principles indications and results of free nodes transplantation and combination with the brest reconstruction. III Congress of the World Society for reconstructive Microsurgery- WSRM

## 2004

- **Paris, France (6-7 Feb)** : Course, operations and press conference at the Société de pathologie vasculaire
- **Brussels, Belgium (31 March-1 April)** : President of the congress on Microsurgery, GAM
- **Paris, France (12-13 May)** : Chairman of the Round Table on Lymphedema. Congress of Plastic surgery

- **Brussels, Belgium (3-5 Sep)** : Lymphnodes grafting. XXXth Scientific Meeting of the European Lymphology Group
- **Amiens, France (25-27 Sep)** : XXVIème Congrès de GAM
- **Roma, Italy (1-7 Nov)** : Multiple reconstructions after tumours by free flaps. Service of oncology and orthopaedic surgery (Pr. Santori) Saint Pierre hospital + American Hospital
- **Teheran, Iran (4-12 Dec)** : Course teaching : lymphedema operations. Shahid Beheshti University, Plastic Surgery Dept. (Pr. Gousheh)
- **Paris, France (December)** : Lambeau ulnaire, Les lambeaux des membres- Cours européen, Ecole de Chirurgie

## 2003

- **Heerlen, Netherlands (February)** : Workshop on Obstetric brachial plexus lesions
- **Sweden (15-20 March)** : Operation of breast reconstructions and treatment of lymphedema and conferences. Uppsala University, plastic Surgery department
- **Hue, Vietnam 22-30 March)** : Course of Plastic surgery : Microsurgical techniques. Anatomy of the free flaps, clinical cases of the most important free flaps. Operations
- **Seoul, Korea (10-19 April)** : Free flaps operation and conferences on free flaps for reconstructions of the limbs and after radiotherapy
- **Beyrouth, Lebanon (April)** : Course teaching on free nodes transplantation operation for the University diploma of microsurgery in the Plastic Surgery Dept, University St. Joseph
- **Buenos Aeres, Argentina (5-15May)** : Courses, operations and conferences for the Society of Vascular Surgery
- **Tripoli, Libya (3-10 June)** : Coonference on Lymphedema treatments and lymphedema operations. Meeting of the Libyan Society of Plastic Surgery
- **Lisboa, Portugal (25-28 June)** : IX Congress of the Federation of the European Societies for Surgery of the Hand
- **Seoul, Korea (1-15 August)** : Free lymphatic transplantations, conferences and operations of congenital and iatrogenic lymphedema. Samsung Hsopital (Pr. B.B.LEE)

## 2002

- **Collioure, France (29-30 April)** : Treatment of lymphedema and pain in plexitis. XXV Congrès du groupe pour l'avancement de la Microchirurgie (GAM)
- **Salvador, Bahia, Brazil (30 May-6 June)** : I curso internacional de microcirurgia e cirurgia da mao Na »Mao-Palestrante « com o tema « evolucao do tratado de linfedema com transplante de ganglios »  
 Transplante de rethalo abdomina com ganglios para reconstrucao de mama  
 Debatedora de mesa redonda com o tema « casos clinicos em urgencias »  
 Debatedora de mesa redonda com o tema « complicacoes em microcirugia »  
 Debatedora de mesa redonda com o tema « reconstrucao a nivel do antebraço/ cotovelo/braço) »
- **Istanbul, Turkey (20 23 June)** : 6th Congress of the European Federation of Societies for Microsurgery
- **Tripoli, Libya (18-20 Oct)** :  
 12th Meeting of Euro-Mediterranean Council for Burn Fire Disaters.  
 6th International Conference on Burns Fire Disaters  
 3rd Conference of the Pan African Association of Plastic Surgery  
 5th Meeting of the Lybian Society of Plastic Surgery
- **Paris, France (14 December)** : Anatomie des lymphatiques, les chylothorax, les oedemes et lymphoedemes et leur traitement. Groupe Thorax

## 2001

- **Paris, France (15 March)** : Traitements chirurgicaux des lymphoedèmes iatrogènes- Intérêt de la Transplantation des Ganglions. Chirurgie du système lymphatique. Possibilités chirurgicales dans le lymphoedeme. Hôpital Européen Georges Pompidou (HEGP)
- **Brussels, Belgium (20 March)** : La physiopathologie et chirurgie de la main rhumatismale- aspect pratiques AMISEK a.s.b.l
- **Saint-Tropez, France (15-20 May)** : XXXIVème Congrès du groupe pour l'avancement de la Microchirurgie (GAM)

- **Istanbul, Turkey (9-13 June)**: Breast reconstruction. 8th Congress of the International Federation of Societies for Surgery of the Hand (IFSSH)
- **Seoul, Korea (1-10 August)**: Conferences and operations of congenital lymphedema and consultations. Samsung Hospital (Pr.B.B. Lee)
- **Genoa, Italy (3-7 September)**: Treatment of lymphedema combined with reconstruction of the breast. XVII International Congress of Lymphology
- **Roma, Italy (16-17 Sep)**: Conference on the Treatments of the Lymphedema in Limb Reconstruction. 9th Congress ESPRAS (European Societies of Plastic Reconstructive and Aesthetic Surgery)
- **Rio del Janeiro, Brazil (4-16 November)**: Course on hand surgery : El rethalo cubital. Symposium of Hand Surgery
- **Paris, France (6-9 Dec)**: Anatomie du système lymphatique au membre supérieur et conséquences thérapeutiques. Congrès de la société française de chirurgie de la main

## 2000

- **Brescia, Italy (30 March-2 April)**: 3rd International Symposium on Experimental Spinal Cord Repair and Regeneration
  - **Poitiers, France (3-5 May)**: Table ronde « lambeaux libres ». Congrès du groupe pour l'avancement de la Microchirurgie (GAM)
  - **Kyoto, Japan (8-11 May)**: International Symposium on Congenital Hand Differences of the Upper Limb. 43rd Annual Meeting of the Japanese Society for Surgery of the Hand (participation)
  - **Gent, Belgium (12-18 May)**: Free Lymphatic transplantation for the treatment of lymphedema. 19th World Congress of Angiology. Open and closed rhinoplasty with live surgical demonstrations. Rhinoplasty Symposium
  - **Coimbra, Portugal (3-5 June)**: Les traitements comparés des lymphoedemes.
- G.E.I : Congrès International de microchirurgie
- **Grenoble, France (9 June)**: La polyarthrite rhumatoïde dans tous ses états. 3<sup>ème</sup> journée de la main de Grenoble
  - **Nancy, France (5-8 Sep)**: Surgical treatment for lymphedema : free lymphatic nodes transplantations, technique and results. European Congress of Lymphology
  - **Roma, Italy (9-15 Sep)**: Free nodes transplantation and breast reconstruction. 5th Congress of Microsurgery (President of Session). EFSM (European Federation of Societies for Microsurgery)
  - **Buenos Aires, Argentina (4-7 Oct)**: Conferences about anatomy of the lymphatic system and on the surgical treatment of lymphedema. IX Congreso Internacional de Flebologia Linfologia
  - **Heerlen, Netherlands (19-21 November)**: 6th Workshop on Obstetric Branchial Plexus Lesions
  - **Tel Aviv, Israel (12-14 Dec)**: Surgical treatment of lymphedema post mastectomy. Lymphatic congenital anomalies. Surgical treatment for lymphedema in lower limbs.
- 27th Annual Meeting of the Israel Society of Plastic and Aesthetic Surgery
- **Paris, France (14-16 Dec)**: XXXVI Congrès de la société Française de la chirurgie de la Main

## 1999

- **San Francisco, California, USA (27 June- 2 July)**: 12th Congress of the International Confederation for Plastic, Reconstructive and Aesthetic Surgery
  - **Al Fahal Hospital, Qatar (5-15 Oct)**: Lymphedema Congenital Hand. First Qatar International Conference for Plastic and Reconstructive Surgeons. Conference on Lymphatic Surgery
- 4th Annual GCC- Chirurgie plastique et reconstructive.

## 1998

- **Paris, France (15-16 March)**: Instabilités et paralysies de l'épaule. Symposium de l'institut de la Main
- **Brescia, Italy (20-25 March)**: 2<sup>nd</sup> Symposium on Experimental Spinal Cord repair and Regeneration
- **Nice, France (6-9 April)**: XIth International Symposium of Plastic and Aesthetic Surgery on Breast Surgery. The Mediterranean Society of Plastic
- **Long Melford, England (15-20 June)**: Conferences about reconstructions by free flaps.

EWAPS 1998 – 12th European Workshop of Advanced Plastic Surgery  
Buenos Aires, Argentina (10-20 Oct) : Linfedema post-adenectomia y radiotherapia. Tratamiento con colgajos libres. VIDEO : Tecnica del trasplante linfatico. Efecto de los colgajos linfaticos.  
Tacticas Quirurgicas. VII Congresso International de Flebologia y Lingologia

#### 1997

- **La Rochelle, France (3-5 May)** : Lambeaux préfabriqués et transformations tissulaires. La microchirurgie en Europe depuis 20ans. XXème Congrès du Groupe pour l'Avancement de la microchirurgie (GAM)
- **Montpellier, France (3-5 June)** : 23<sup>ème</sup> Congrès du Groupement Européen de Lymphologie (GEL)
- **Milano, Italy (15-17 June)** : 3rd Symposium on Congenital Malformations of the Upper Limb
- **Bologna, Italy (25-28 June)** : Instructional course on stiffness of the Upper Limb. Federation of the European Societies for Surgery of the Hand (FESSH)
- **Knokke, Belgium (5-8 October)** : Résultats des traitements des lymphoedèmes. Belgische vereiging vaatheelkunde werkgroep phlebo en lymfologie

#### 1996

- **Brussels, Belgium (12 January)** : Conférence d'information et d'éducation à la santé pour les opérées du cancer du sein. Shell Auditorium
- **Brescia, Italy (7 February)** : Traitement des lymphoedèmes. Conférence on Lymphedema surgical treatment. Clinica San Rocco Di Franciacorta. Plastic Surgery department
- **Paris, France (4 April)** : IIIème Congrès européen de chirurgie et de rééducation de la main
- **Roma, Italy (5-8 May)** : Conference on free nodes transfers in lymphedema. 21st Congress of the European Group of Lymphology (GEL)
- 4th Meeting of the Latin-Mediterranean Chapter of the International Society of Lymphology (LMC-ISL)
  - **Valbonne, France (5-12 June)** : European Workshop of Advanced Plastic Surgery (EWAPS)
  - **Creta, Greece (7-12 October)** : Results of free nodes transplantations.
- 6th Annual Meeting of the Hellenic Society For Reconstructive Microsurgery with International Combined Meeting of Hellenic & British Societies for Surgery of the Hand
  - **Copenhagen, Denmark (21-23 October)** : Results of the lymph node transfers. Society of Plastic & reconstructive Surgery, University of Copenhagen
  - **Brussels, Belgium (5 December)** : Les Lambeaux libres : Calendrier des déjeuners et débats de Cavell
  - **Paris, France (6-8 December)** : Anatomie du système lymphatique et les applications cliniques.  
XXXIIème Congrès de la société Française de chirurgie de la main (GEM)
  - **Brussels, Belgium (15 December)** : XV Journée Scientifique. Auditoire de l'AMISEK

#### 1995

- **Salt Lake City, Utah (10-15 March)** : Second International Workshop on Congenital Differences Of the Upper Limb. American Society for Surgery of the Hand. University Park
- **Lille, France (5-8 May)** : XIXème Congrès du Groupe pour l'Avancement de la Microchirurgie (GAM). Communication : transferts Lymphatiques vascularisés
- **Copenhagen, Denmark (5-9 June)** : 2<sup>nd</sup> Congress of the European Federation of Microsurgery Society
- **Sao Paulo, Brazil (3-15 September)** : Training in plastic and Aesthetic Surgery and Congress of the Hand and Microsurgery
- **Paris, France (5-7 October)** : Cours pratique d'endoscopie frontale. 3<sup>ème</sup> Congrès national de la société Française de chirurgie plastique reconstructrice et esthétique. Ecole de chirurgie des Hôpitaux de Paris
- **Pais, France (1-3 December)** : Table Ronde : Lymphoedème du membre supérieur  
Communication : Traitement chirurgical  
30<sup>ème</sup> Congrès de la Société Française de la chirurgie de la Main (GEM)

- **Paris, France (5-6 December)**: Communication : les pertes de substance cutanés du pied. Société Française de Chirurgie Reconstructrice et Esthétique, Société Française de Médecine et de Chirurgie du Pied
- **Paris, France (9 December)**: Free lymphatic transplantation. XV International Congress of Lymphology

#### 1994

- **Nancy, France (15-17 January)**: Conference sur les lymphoedeme. Service de chirurgie Plastique et Reconstructrice de l'appareil locomoteur. Centre Hospitalier Universitaire de Nancy.
- **Brussels, Belgium 3-5 May**: Ulnaris flap. 2<sup>ème</sup> Congrès de la Fédération Européenne de Sociétés de Microchirurgie.
- **Copenhagen, Denmark (6-9 June)**: Hand Surgery Congress
- **Prague, Czech Rep (10-12 Sep)**: Free nodes transplantation. Meeting of European Group of Lymphology (GEL)
- **Paris, France (25-27 October)**: Transferts lymphatiques vascularisés. XIX<sup>ème</sup> Congrès du Groupe pour l'avancement de la Microchirurgie (GAM)

#### 1993

- **Paris, France (10-13 Februaury)**: Chairman : Débat sur les lymphoedemes. Nouvelles techniques. XVIII<sup>ème</sup> Congrès du Groupe pour l'Avancement de la Microchirurgie (GAM)
- **Paris, France (20-23 February)**: VI<sup>ème</sup> Symposium de l'institut Français de la Main.
- **Berlin, Germany (12-18 April)**: European Workshop of Advanced Plastic Surgeons (EWAPS)
- **Saint-Tropez, France (15-20 May)**: Communication : free lymphatic traansplantation. Ier Congrès de la Fédération des Sociétés Européennes de la Main
- **Brussels, Belgium (5-10 May)**: Congrès de la Fédération de Sociétés Européennes de la Main
- **Brussels, Belgium (20 May)**: Evolution des techniques. Films médicaux : Chirurgie des lymphatiques
- **Berlin, Germany (5-10 June)**: VII Congress of the European Section of the International Confederation for Plastic and Reconstructive Surgery
- **Bern, Switzerland (25 August- 5 September)**: Teacher : Cours de microchirurgie. 9th European Advanced Course of Plastic Surgery

#### 1992

- **Paris, France (5 January)**: Chirurgie fonctionnelle du membre supérieur du tétraplégique. Les journées des propara
  - **Montpellier, France (4-7 February)**: Sport et tétraplégie
  - **Paris, France (1-20 March)**: Flap course. Institut Français de la Main
  - **Argentina (1-3 May)**: Lymphatic transplantin the treatment of lymphedema. XI World Congress of Phlebology
  - **Pisa, Italy (5-9 May)**: European Association of Plastic Surgeon (EURAPS)
- III EURAPS Meeting
- **Paris, France (12-15 May)**: Free Lymphatic transplantation. 5<sup>ème</sup> Congrès International de Chirurgie de la Main
  - **Paris, France (5-8 June)**: Free lymphatic transplantation. Ier Congrès International de Chirurgie de la Main
  - **Roma, Italy (8-14 September)**: 1<sup>er</sup> Congrès de la Fédération Européenne des Sociétés de Microchirurgie
  - **Montreal, Canada (20 August- 5 September)**: Table ronde sur les transferts libres d'extrémités les plus petits. 1<sup>er</sup> Congrès de la Fédération Européenne de Sociétés de Microchirurgie et Chirurgie Plastique

- **Romania (5-10 October)**: Inaugural Meeting Participation. The Roman Society of Angiology and Vascular Surgery
  - **Liège, Belgium (15 November)**: Belgian Hanf Group. C.H.U
  - **Montpellier, France (1-2 December)**: Communications : Ouverture des pertes de substances des parties molles au membre supérieur, lambeau cubital en îlot.
- VIème Symposium de l'Institut Français de la Main
- **Paris, France (15-17 December)**: International congress of hand surgery- Communication : la lambeau cubital facial dans les neurolyses difficiles.
- XXVIII Congrès de la Société Française de chirurgie de la Main (GEM)

## 1991

- **Brussels, Belgium (7 January)**: ULB International Congress of Microsurgery Today : Belgian and Group. Tomorrow surgery of Lymphedema
- **Montpellier, France (15-22 January)**: Congrès de printemps de la société Française de chirurgie de la Main (GEM)
- **Brussels, Belgium (31 January)**: Cours : Chirurgie d'aujourd'hui et de demain dans la pathologie lymphatique. Ecole de cadres de kiné vasculaire de Bruxelles
- **Paris, France (5-7 March)**: Transfert Lymphatique. 17<sup>ème</sup> Congrès International de microchirurgie
- **Madrid, Spain (7-10 May)**: Clinical experimentation of free nodes transfers to treat lymphedema. First Congress of the International Microsurgical Society
- **Bordeaux, France (12-14 May)**: Teacher : the perforator flaps, 4<sup>ème</sup> et 5<sup>ème</sup> cours sur les lambeaux de rotation
- **Brugge, Belgium (15 May)**: Lambeaux sur les lésions nerveuses. Belgian Hand Group
- **Paris, France (16-17 May)**: Free lymphatic transplantation. 5<sup>ème</sup> Journées Internationales du traitement du lymphoedeme
- **Paris, France (4 June)**: Free lymphatic Transfers. International Symposium of Microsurgery & Reconstructive Surgery
- **Paris, France (5 June)**: Nervous Microsurgery, whats news ? 7th Congress of the International Microsurgical Society
- **Bordeaux, France (6-10 June)**: Teacher : ulnaris flap. First European flap dissection course in Plastic Surgery
- **Paris, France (11 June)**: Covering flaps. Coverage of the hand. Ecole de chirurgie des hôpitaux de Paris
- **Paris, France (12 June)**: XI Journée Scientifique : Le poignet
- **Greece (20-25 June)**: Communication : Nouveau traitement des lymphoedemes. 13th International Congress for Lymphology
- **Brussels, Belgium (5 November)**: 5<sup>ème</sup> Journée Internationales du traitement du lymphoedeme
- **Brazil (6-20 November)**: 17<sup>ème</sup> Congrès de la société Française de Chirurgie de la Main

- **Paris, France (15 December)**: Journée de chirurgie orthopédique et traumatologique. Hôpital Bichat

## 1990

- **Brussels, Belgium (5 January)**: Séminaire d'acupuncture. Traitement chirurgical de la douleur arthrosique. Traitement chirurgical dans les douleurs névromateuses
- **Coimbra, Portugal (6-9 May)**: Treatment of upper arm lymphedema. Groupe d'avancement de microchirurgie (GAM)
- **Paris, France (15 May)**: IIème Congrès Latin de chirurgie de la Main et du Membre supérieur
- **Paris, France (25-27 May)**: Symposium sur la polyarthrite rhumatoïde du membre supérieur. XVIème International Microsurgical Meeting
- **Scharmey, Switzerland (5-12 June)**: Free lymphatic transplant. Nose reconstruction. Workshop of young Plastic Surgeon
- **Milano, Italy (7-15 July)**: New treatment for lymphedema. 2<sup>nd</sup> World week of professional updating in surgery and in surgical and oncologia disciplines of the University of Milano
- **Paris, France (5 October)**: S.E.C.E.C IVème Congrès de la société Européenne pour la chirurgie de l'Epaule et du Coude
- **Brussels, Belgium (6-9 October)**: Free lymphatic transplants, first clinical study.

XIIIème Congress of European Lymphology

- **Godinne, Belgium (15 October)**: Free lymphatic transplants, first clinical study.

XIIIème Congrès du Groupement Européen de Lymphologie

- **Vienna, Austria (4-6 November)**: Our experience on lymphatic microsurgery. Vth European American Symposium on Venous Diseases
- **Brussels, Belgium (7 November)**: Lymphatic pathologies and surgical treatment.

VIIIème Journée scientifique (AMISEK) Pathologies vasculaires des membres inférieurs

- **Nancy, France (8 November)**: Cours Régénérescence nerveuse et hormones neurotrophiques. Symposium de chirurgie des nerfs périphériques
- **Paris, France (5-9 December)**: Communication : Ulnaris flap in carpal tunnel recurrences. French society for Surgery of the Hand

1989

- **Quiberon, France (1-3 June)**: Groupe d'étude de la main (GEM) Neurolyses difficiles traitées par enrobement du nerf par un lambeau graisseux. International Congress of Hand Surgery
  - **Lyon, France (5-10 June)**: Anatomie de l'artère cubitale. Groupe d'avancement de microchirurgie (GAM)
  - **Paris, France (10-20 June)**: Plastic surgery course : Les lambeaux de couverture des membres. Teacher at Ecole de Medecine des Hôpitaux de Paris
  - **Strasbourg, France (4-10 September)**: Lecture on Lymphedema : Free lymphatic flap. A new treatment for lymphedema. XX World Congress of Phlebology
  - **Paris, France (10 October)**: Symposium sur la couverture des pertes de substance du membre supérieur
  - **Paris, France (4-6 December)**: Enrobement du nerf médian au poignet par un lambeau graisseux vascularisé. Groupe d'étude de la Main (GEM)
  - **Mar Del Plata, Argentina (5-20 December)**: New treatment for lymphedema- clinical cases.
- XVI International Congress of Microsurgery. XV Congresso Anual Simposio Internacional Sobre Mano Reumatica

1988

- **Marseille, France (3-7 Mars)**: Facilitation de la réinnervation musculaire par le fluide contenu dans les chambres de régénération nerveuse chez le rat. Réparation et régénération du nerf périphérique sous le patronage de l'INSERM. Colle biologique : étude biochimique et électrophysiologique. Association des physiologistes.
- **Cannes, France (11 May)**: Réparation et régénération du nerf périphérique. Cours sur les lambeaux
- **Paris, France (5-15 April)**: 2<sup>ème</sup> cours pratique (moniteur). Cours sur les lambeaux de couverture des membres
- **Paris, France (5-7 June)**: Symposium sur les malformations congénitales du membre supérieur
- **Paris, France (7-15 June)**: Teacher in surgical techniques for flaps at Ecole de Medecine des Hôpitaux. Cours de dissection des lambeaux
- **Paris, France (5-15 October)**: Lambeaux de couverture des membres, lambeaux en ilots. Teacher at Ecole de Medecine des Hôpitaux de Paris

1987

- **San Morritz (15-30 January)**: Transferts musculaires libres actifs. Lambeau aponévrotique cubital dans les récidives des canaux carpiens. 14<sup>ème</sup> Alpine Workshop in Plastic and Reconstructive Surgery
- **Suisse (5-12 February)**: Lambeau libre de ganglions lymphatiques : étude dynamique et anatomique. 21<sup>ème</sup> Congrès du collège Français de Pathologie Vasculaire et de la Société de Lymphologie
- **Paris, France (3-9 March)**: Les transferts lymphatiques libres GEM (Groupe d'étude de la main)
- **Israel (5-9 April)**: Free nodes transfers. Congress of Plastic surgery
- **Paris, France (7-8 May)**: Symposium sur le traitement palliatif du membre supérieur
- **Brussels, Belgium (15 May)**: Basic course on rhinoplasty

- **Deauville, France (6-8 June)**: Le lambeau malléolaire externe. Le transfert lymphatique libre dans le traitement du lymphoedeme. GAM (Groupe d'Avancement de la Main et de Recherche)
  - **Gruyere, Switzerland (9-10 June)**: Carpal tunnel recidive : die ulnaris lappen. Fibrosis nach finger reimplantation. Lymphedema Lösung : die lymphatiken transplanten.
- Arbeitskreis Junger Plastischer Chirurgen Deutschland
- **Vienna, Austria (5-7 September)**: Congrès de la lymphologie
  - **Paris, France (4-6 November)**: Congress of the SECEC (Shoulder)
  - **Paris, France (6-10 December)**: GEM Hand Surgery Congress

## 1986

- **Brussels, Belgium (5 January)**: Traitements des lymphoedemes. Conférence d'information et d'éducation à la santé pour les opérées du cancer du sein
- **Paris, France (20-28 January)**: Active muscle transfers. 14<sup>ème</sup> Alpine Workshop in Plastic and Reconstructive Surgery
- **Nancy, France (5-8 May)**: A NGF Growth factor. Congrès européen international de recherche et GAM
- **Paris, France (7 June)**: Cours de microchirurgie. Conférence sur les lymphatiques vascularisées
- **Paris, France (8-10 June)**: Le facteur neutrophique. Groupe d'études des nerfs
- **Louvain, Belgium (7 September)**: Cours sur les lambeaux de couverture des membres
- **Sankt Gallen, Switzerland (8-10 September)**: Vereinigung der deutsche plastische chirurgen : Die neutrophic hormone
- **Bonn, Germany (15-18 September)**: Die Ulnar lappen : indicationen und variationen. Vereinigung der deutsche plastische chirurgen
- **Tokyo, Japan (10-12 November)**: The neutrophic factor. Third international congress of the international federation of societies of surgery of the hand. Post congress meeting of the federation of the hand surgery
- **Paris, France (5-8 December)**: Le lambeau cubital : anatomie et technique chirurgicale. GEM (Groupe d'étude de la main) Table ronde des lambeaux

**2007**

E. Fumiere, O. Leduc, S. Fourcade, C. Becker, C. Garbar, R. Demeure, F. Wilputte, A. Leduc, C. Delcour (2007) MR imaging, proton MR spectroscopy, ultrasonographic, histologic findings in patients with chronic lymphedema. *Lymphology*. 2007. Dec;40(4):157-62.  
<http://www.ncbi.nlm.nih.gov/pubmed/18365529>

## 2006

C. Becker (2006) Traitement des lymphoedèmes. *Journal des maladies vasculaires*, tome 31, p 37, March 2006.

---

C. Becker, M. Riquet (2006) Post mastectomy lymphedemas: long-term results following microsurgical lymph node transplantation. *Annals of surgery* 243(3) and 313\_315 March  
<http://www.ncbi.nlm.nih.gov/pubmed/16495693>

## 2002

C. Becker and A. Gilbert (2002) Free vascularized lymphatic node transplantation for lymphedema... Surgery of disorders of the hand and upper extremity. *Bone and skin disorders*, p 541-547, Ed. M. Dunitz, 2002.

---

J. Assouad, C. Becker, G. Hidden, M. Riquet (2002) The cutaneo-lymph node flap of the superficial circumflex artery. *Surg Radiol Anat*. 2002 May;24(2):87-90  
<http://www.ncbi.nlm.nih.gov/pubmed/12197025>

## 2001

C. Becker (2001) Anatomie du système lymphatique du membre supérieur et conséquences thérapeutiques. Enseignement de la chirurgie de la main 13. *Cahier d'enseignement de la Société française de la chirurgie de la main*, ed. Elsevier, p 27 à 33.

---

J. Assouad, C. Becker, M. Riquet (2001) Treatment of lymphedema combined with reconstruction of the breast. *The European Journal of Lymphology*, vol. 9, n° 34, éd. P.R., Italy.

## 2000

C. Becker (2000) Les transferts lymphatiques. *Annales de chirurgie plastique esthétique*

---

C. Becker (2000) The treatment of lymphedema with free nodes transplantations. *International angiology*, vol 19, 114, June 2000.

---

C. Becker (2000) Experience and treatment of lymphedema. *Flebologia*, Argentina, May 2000.

---

C. Becker (2000) Presentations of breast reconstruction combined with treatment of lymphedema and treatment of lymphedema. *Microsurgery website*, August 2000

## 1999

C. Becker (1999) Colles biologiques. *Annales de chirurgie plastique*, vol 44 -132, April 1999.

C. Becker (1999) A flap based on distal branches of the ulnar artery and its use in recurrent carpal tunnel. *The Hand*, Vol 4, Chap 30, p 499-505, (R. Tubiana)

#### 1997

P. Bourgeois, D. Munck, C. Becker (1997) A three phase lymphoscintigraphic investigation protocol for the evaluation of lower limb edemas. *The European Journal of lymphology*, vol. 6, n° 21, p 10

#### 1996

C. Becker (1996) Transplantation of lymph nodes : an alternative method for treatment of lymphedema. *Linfologia*, p.54, August 1996.

#### 1995

C. Becker, G. Hidden, H. Maurage, O. Leduc, JM. Coget (1995) Les affections vasculaires. In: transferts lymphatiques libres. *Traité de chirurgie de la main* (R. Tubiana), vol 5, Masson, Paris, 147-151

#### 1992

C. Becker, P. Bourgeois (1992) Free lymphatic transplantation. *V<sup>th</sup> International congress of hand surgery*, Paris, p.244.

#### 1991

C. Becker, A. Gilbert (1991) Le lambeau des branches distales de l'artère cubitale et son utilisation dans les séquelles du canal carpien. *Traité de chirurgie de la main tome IV*, Masson, Paris, 527-532

---

C. Becker, G. Hidden (1991) Free lymphatic transplantation. *European Journal of Lymphology*, 6, vol.2, 75-80.

#### 1990

C. Becker (1990) Treatment of lymphedema. *Progress in lymphology*, XI, 487-493

---

C. Becker, G. Hidden, A. Pecking (1990) Transplantation of lymph nodes : an alternative method for the treatment of lymphedema. *Progress in lymphology*, XI, 487-493.

#### 1989

C. Becker, G. Gueuning, G.L. Graff, A. Gilbert (1989) Increased muscle regeneration after repair of divided motor nerve with neurotrophic factors containing glue. *Archives internationales de physiologie et de biochimie*, 97, 521-529.

#### 1988

C. Becker, G. Hidden (1988) Transferts de lambeaux lymphatiques libres. Microchirurgie et étude anatomique. *Journal des maladies vasculaires*. Masson, Paris, b ; 13 : 119-122.  
<http://www.ncbi.nlm.nih.gov/pubmed/?term=3397670>

---
